

New Member Scholarship Fund

GENERAL: The Central California Conference is committed to providing a Christ-centered education program, through its organized educational system, that emphasizes the tenets of the Seventh-day Adventist church throughout the curriculum. To encourage and facilitate the participation of new church members with this system, the Camp Meeting Evangelism Committee has allocated funding to assist first-time members by profession of faith or first-time members baptized during the past five years.

ELIGIBILITY: The requirements listed must be formally approved.

- The student must be a first-time enrollee or currently enrolled as a student in a K-12 Central California Conference Adventist school.
- Parents of children (K-12) who have been recently baptized (or profession of faith) into the Adventist church within the last five years (one or both parents) may apply. The parent must be newly baptized into and attending a Central California Conference church.
- If the parents are not baptized, the child must have been baptized within the last five years into and actively attending a Central California Conference church.
- Enrollment is “open” for all first-year applicants.
- Second year applicants must submit a completed application by June 30 of the current school year. Second year funding is not automatic.
- Some situations may not fit these requirements. A letter should be submitted to explain these special circumstances.
- A student may qualify for the scholarship only once.

SCHOLARSHIP AMOUNTS: This two-year assistance program will consist of 20% of the yearly tuition and registration fee for the first year and 20% of the yearly tuition and registration fee for the second year regardless of financial need or academic standing. Enrollment of applicants will be revisited at the beginning of each semester. Please note that these funds will be allocated depending on the availability of the monies at the time of the request and on a first-come-first-served basis.

APPLICATION DEADLINE: This is an Open Enrollment Scholarship based on available funds for the first year. The deadline for the 2nd year is June 30 of the current school year.

APPLICATION FORM: The CCC Office of Education will distribute the forms to all principals and pastors. The application can also be found online at <http://cccedu.adventistfaith.org>. Forms not filled out in their entirety shall be rejected—no exceptions.

IMPORTANT: The pastor or the principal shall submit a brief narrative of why the applicant and the family will benefit from this assistance and the parents of a second-year applicant shall submit the attached testimonial form.

PROCESS: A committee has been selected to review all of the applications. At the end of the year, the school is to provide a brief report of the impact and outcome of each student assisted by this fund. If the report is not forthcoming, the school shall forfeit eligibility for these funds in the future.
